OEM REPLACEMENT PARTS
ENGINEERED FOR PERFORMANCE

Dear Valued Partners,

Welcome to the **Myparts 2027 Lawn & Garden Gaskets Catalogue**.

Since 2010, Myparts Ltd has been manufacturing foam air filters and gaskets in Greece, serving the aftermarket for outdoor power equipment, small engines, motorcycles and ATVs.

Our gaskets are **made in Greece using premium European raw materials**, with careful attention to fit, sealing performance and consistent quality.
This catalogue presents our range for lawn and garden equipment, with product photographs, model compatibility and OEM references to help you identify the gaskets you need.

As a manufacturing partner, we offer:

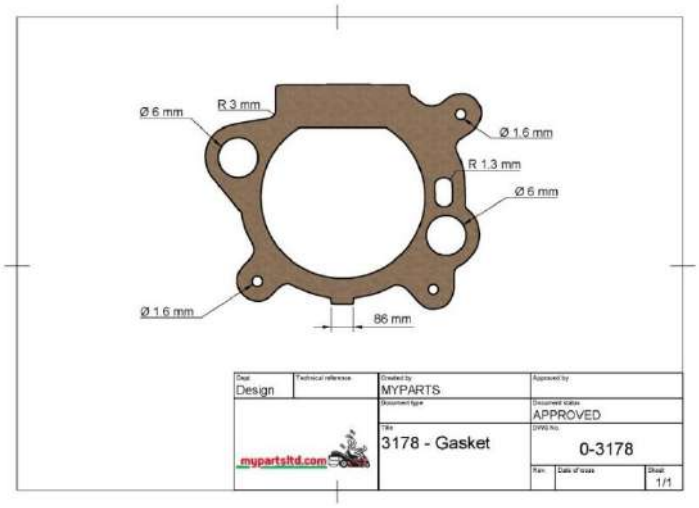

- **An extensive range,** with new products added regularly.
- **Custom manufacturing** based on your samples or specifications.
- **Private label and flexible packaging** options.
- **Competitive manufacturer-direct prices** and fast delivery across Europe.

If you cannot find a particular gasket, please send us the OEM reference or a sample so we can assess your requirements.

We look forward to supporting your business and building a lasting partnership.

On behalf of the Myparts Team

Panos Mavrogeorgis
www.mypartsltd.com

All parts in this catalogue are manufactured by Myparts and are suitable for the applications indicated.
Brand names, model names and OEM part numbers are used for identification and compatibility reference purposes only.
